

## EMAIL: One Month until the Event Ends

### **SUBJECT:**

The end of the Swing Fore Camp Challenge is one month away!

### **MESSAGE:**

Hi [Name],

In one month, I will be wrapping up my participation in Camp He Ho Ha's virtual Swing Fore Camp Challenge – a campaign to raise funds for kids and adults with disabilities through golf.

I'm [insert percentage] to my goal of raising [insert fundraising goal] to support summer camp programs at Camp He Ho Ha, by golfing 10 rounds of golf –one for every week of camp. Will you donate today and help me reach my goal? I would love your support and encouragement.

Throughout this event, I have been raising money to support Camp He Ho Ha. They are committed to providing inclusive outdoor recreation opportunities for individuals with disabilities. I started this challenge because I believe in their mission and want to help make a difference.

[ADD PERSONAL STORY i.e. This work is important to me because I care about others... I live with a disability... I have a loved one living with a disability... I work with people with disabilities...etc.]

You can help me give back! You can support me by donating to my campaign at [insert personal campaign page link]. Or help me spread the word by sharing my campaign page with your friends and family.

Thank you in advance for your support!

Thanks,
