Hi [Name],

The Shoot For Cause started on May 1, 2021, and goes until Saturday, August 21, 2021. I am participating [by myself or with my team, [insert Team Name]], to shoot [insert arrows goal] arrows!

[IF IN A TEAM: My team, [insert Team Name], will be working together to collectively shoot for [insert team arrows goal] arrows.] My goal is to shoot [insert arrows goal] arrows. So far I have shot [insert number of arrows shot to date] and raised [insert amount raised] for Camp. Keep up with my progress and donate on my campaign page at [insert personal campaign page link].

If I raise at least \$300, I will get a special commemorative T-shirt and get my name entered to win a PRIME archery bow valued at over \$1,500! For every additional \$100 I raise over \$300, I will get another raffle entry to win the PRIME archery bow. Help me raise money to strengthen opportunities for people living with disabilities ...and maybe I can also win a prize!

Donate on my campaign page at [insert personal campaign page link] or you can help by sharing my page with your friends and family with the #ShootForCause hashtag.

Thank you in advance for your support with my Shoot for Cause archery challenge!

Thanks,
