

ARTS AND CRAFTS COORDINATOR/CAMP COUNSELOR

Camp Health, Hope & Happiness (Camp He Ho Ha)

READY FOR THE MOST REWARDING SUMMER JOB YOU'VE EVER HAD!

For over 60 years Camp Health, Hope & Happiness has been Alberta's leading summer recreational facility offering a summer camp experience for individuals of all ages with all types of developmental, neurodiverse, or physical challenges! And now that we are under **NEW MANAGEMENT**, we will make it the best **SUMMER OF FUN** yet for our campers and staff!

Our 2025 camp season features Monday-to-Friday, 5-day, 4-night camps, beginning with a 6-day orientation and training week starting May 15th. The season concludes with a summer staff wrap-up party on August 9th.

PURPOSE OF THE POSITION

Reporting to their Team Lead, the Arts and Crafts Coordinator/Camp Counselor will tap into their creative side to create arts and crafts projects for our campers. Crafts can take a couple days to complete and can include painting, drawing, clay, wood working, beading, and anything else you think could make a lasting art project!

When not in the arts and crafts room you would work collaboratively within a team to provide care and support for individuals with disabilities. You will play a key role in fostering an inclusive environment where all campers feel valued and accepted during their time at camp. The position requires the Camp Counselor to ensure each camper receives personal care, behavior management, and supervision in a safe, respectful, and nurturing manner. The Camp Counselor will be on-site 24/5 while campers are present, providing continuous support and guidance throughout their camp experience.

WHY WORK AT CAMP HE HO HA

- It will be the most fun and fulfilling summer job experience that you'll never forget!
- Competitive compensation with a paid day rate of \$190/day for orientation days and days worked throughout our summer season
- Weekend team-building activities with things like movies under the stars, a scavenger hunt, and other fun weekend events
- Full accommodation and meals provided to ensure a comfortable and supportive living experience.
- Access to an onsite retreat featuring a gym, movie room, computer access, cooking, and laundry facilities for your convenience and relaxation
- The opportunity to make a meaningful impact in the lives of individuals with unique and special needs
- Scheduled weekend transportation to and from a designated location in Edmonton, so you can enjoy your time off with ease
- The chance to develop valuable personal skills, including building confidence, enhancing communication and leadership abilities, and gaining hands-on experience in personal care, behavior management, and adaptability

WHAT YOU WILL BE HELPING OUR CAMPERS WITH

- Plan, lead, and facilitate the arts and crafts program, assist campers with their projects, ensure there are enough supplies to complete the crafts each week
- Develop creating crafts for the campers that they will be excited to take home and show their family and friends

- Have the “welcome to our arts and crafts room” introduction for all the staff during orientation explaining rules and procedures, and what they can expect to be creating
- Support campers during morning and evening bedtime routines, and mealtimes
- Assist campers with transfers using one/two-person or mechanical lifts
- Support campers when they might feel distressed and encourage a positive outlook
- Provide personal care for campers as needed, including but not limited to; feeding, bathing, toileting, and dressing
- Recognize and support each camper’s specific needs, providing the best possible physical and emotional care while assisting in behavior management when applicable
- Maintain a clean and organized cabin while encouraging campers to take an active role in daily cabin clean-up
- Provide feedback and share information to help maintain a smooth experience, and offer suggestion on what can be improved
- Participate and encourage camper participation at dance, skit, and campfire nights
- And anything else your creative side might bring out

This may be the most **rewarding** and **challenging** job that you may ever experience. The days are long, but your heart will open to people that you have only just met, you will create friendships with campers and staff that will extend years into the future, and you will be forever changed.
