

3rd Year Nursing Student or 4th Year Grad Nurse

Camp Health, Hope & Happiness (Camp He Ho Ha)

For more than 60 years Camp Health, Hope & Happiness has been Alberta's leading summer recreational facility offering a summer camp experience for individuals of all ages with all types of developmental/neurodiverse or physical challenges!

Our 2026 camp season features Monday-Friday, (5-day, 4-night) camps, beginning with a 9-day orientation week starting **May 21st**. The season concludes with a summer staff wrap-up celebration on **August 21st**.

PURPOSE OF THE POSITION

The purpose of a camp nurse is to ensure the health, safety, and well-being of all campers and staff by providing medical care, managing medications, responding to injuries or illnesses, and supporting a safe and inclusive camp environment. Our nurses help campers and team members stay healthy and comfortable so everyone can fully enjoy their camp experience with confidence and peace of mind. The camp nurse is on site 24 hours a day while campers are present, providing continuous support and guidance throughout the week.

WHY WORK AT CAMP HE HO HA?

- Competitive compensation: \$250-\$300/day for all days worked, including orientation
- Friday team-building activities provided every other weekend
- Free accommodations and meals for the entire summer
- Access to an onsite retreat featuring a gym, movie room, computer access, cooking, and laundry facilities
- The opportunity to make a meaningful impact in the lives of individuals with unique and diverse needs
- Scheduled weekend transportation to and from a designated location in Edmonton
- Exceptional personal and professional growth, including leadership experience, confidence building, communication skills, hands-on personal care experience, and adaptability

WHAT YOUR DAY WILL LOOK LIKE

- The camp nurse has final responsibility for all medical care and first aid decisions for all campers and staff
- You will control, document and administer all prescription medications to campers
- Using your judgment, administer any PRN medications that has been approved by caregivers and document all PRN medications given
- Make decisions on whether further medical attention is required (i.e. going to the hospital or a call to their physician)

- Do daily checks on personal care charts in the cabins, and provide feedback to counselors regarding personal care
- Provide 1:1 support for campers when and where required (i.e. illness)
- Facilitate the personal care sessions during the summer staff orientation
- Prepare first aid kits for around the facility and complete restock as needed
- Maintain an inventory of medical supplies and let coordinator know if anything needs to be replenished
- Rotating on-call ensuring 24 assistances if needed
- Assist in cabin activities as much as possible, providing an enthusiastic and uplifting atmosphere
- Provide campers with emotional support to encourage a positive outlook, while building and maintaining strong relationships
- Recognize and support each camper's specific needs, providing the best possible physical and emotional care while assisting in behavior management when applicable

This may be one of the most rewarding and challenging roles you ever experience. The days are long, but the connections you form, both with campers and fellow peers, will stay with you for years. Your heart will grow in ways you never expected.
