Support my Aim!

EMAIL MESSAGE:

Hi [Recipient Name],

I have joined the Camp Health, Hope & Happiness **2023 Shoot for Cause Fundraiser** campaign– a online fundraiser with a final archery tournament weekend on May 5-7, 2023. I have accepted the challenge to raise money for people with disabilities and I hope I can count on your support.

I am hoping to raise [insert fundraising goal] to support summer camp for children and adults with disabilities. But this challenge is about more than raising money – it’s also about raising awareness of Camp He Ho Ha and the difference they make for hundreds of people with disabilities.

[Camp He Ho Ha](#) provides adapted week-long recreational summer camps to children, youth, adults, and seniors living with every type and severity of physical and/or mental disability, many of whom would be denied a recreational opportunity at other facilities. Camp He Ho Ha is the only facility of its kind in North/Central Alberta and serves over 700 campers annually. Programs are fully inclusive, barrier-free, and designed to meet the special needs and interests of campers.

That is one reason I took on this archery challenge, and I would love your support! You can donate to my campaign on my personal fundraising page at [insert fundraising page link]. Or share my page with your friends and family to help me spread awareness.

If you need help making a gift or have any questions, please feel free to contact Greg at Camp He Ho Ha at greg@camphehoha.com.

Thank you for your support of me, Camp He Ho Ha, and individuals with disabilities!

Sincerely,

Hi [Recipient Name],

Now through May 5, 2023, I will be raising money for Camp He Ho Ha's summer camps for kids and adults with disabilities and trying to earn free registration to the **2023 Shoot for Cause Fundraiser**. 

If I can raise over \$500, I will be competing in the **2023 Shoot for Cause 3D Archery Tournament & Fundraiser** weekend. With your help, on May 5-7, I will be practicing archery for fun -while making a difference for many! I joined the **2023 Shoot for Cause Fundraiser** campaign benefitting kids and adults with disabilities because I love Archery, and I thought this was a good way to shoot and make a difference at the same time.

Please support my fundraiser. Together we can create more adapted recreational opportunities for Albertans with disabilities. Not only will a donation help me in my goals, but you'll also change the story for over 700 individuals with special needs in this province.
